RESOLUTION OF THE EXXON VALDEZ OIL SPILL TRUSTEE COUNCIL

We, the undersigned, duly authorized members of the *Exxon Valdez* Oil Spill Trustee Council do hereby certify that, in accordance with the Memorandum of Agreement and Consent Decree entered as settlement of United States of America v. State of Alaska, No. A91-081 Civil, U.S. District Court for the District of Alaska, and after public meetings, unanimous agreement has been reached to expend funds received in settlement of State of Alaska v. Exxon Corporation, et al., No. A91-083 CIV, and United States of America v. Exxon Corporation, et al., No. A91-082 CIV, U.S. District Court for the District of Alaska, for necessary natural resource damage assessment and restoration activities. The resolution includes net zero adjustments to the Fiscal Year 1995 Work Plan and a total Fiscal Year 1996 approved budget of \$18,892,400. The total approved budget for all the items, appended hereto, is \$18,892,400.

Trustee Agencies

State of Alaska: Departments of Fish & Game, Law, and Environmental Conservation
United States: National Oceanic & Atmospheric Administration, Departments of Agriculture and Interior

The monies are to be distributed according to the following schedule:

Alaska Department of Fish & Game	10,855,600
Alaska Department of Natural Resources	1,644,100
Alaska Department of Environmental Conservation	190,600
SUBTOTAL TO STATE OF ALASKA	12,690,300
U.S. Department of Agriculture, Forest Service	1,105,200
U.S. Department of the Interior	2,327,800
National Oceanic & Atmospheric Administration	2,769,100
SUBTOTAL TO UNITED STATES OF AMERICA	6,202,100
TOTAL APPROVED BUDGET	\$18,892,400

In accordance with the Financial Operating Procedures adopted by the Trustee Council, the amount of funds requested from the Joint Trust Fund is to be reduced by the amount of interest previously earned from settlement funds held by the Federal and State governments and any unobligated fund balances from previously approved budgets. Since the last disbursement from the Joint Trust Fund, the amount of interest earned is \$63,226 for the United States and \$449,634 for the State of Alaska. Accordingly, the amount to be withdrawn from the fund for interest earned will be reduced by \$512,860. The unobligated balance for the projects approved prior to October 1, 1993 is \$220,858 for the United States and \$2,376,950 for the State of Alaska. The amount to be withdrawn from the fund for unobligated balances will be reduced by \$2,597,808. The September 1994 reimbursement to the Department of Commerce, National Oceanic and Atmospheric Administration, by the Exxon Corporation, for *Exxon Valdez* Oil Spill costs was \$2,688,600. It has been determined that the final costs for damage assessment activities was lower than previously estimated due to a decrease in obligations and that the reimbursement exceeded expenses by \$80,700. Accordingly, the amount to be withdrawn from the fund is being reduced by \$80,700 for excess reimbursements.

Trustee Agencies

State of Alaska: Departments of Fish & Game, Law, and Environmental Conservation
United States: National Oceanic & Atmospheric Administration, Departments of Agriculture and Interior

By unanimous consent, we hereby request the Attorney General of the State of Alaska and the Assistant Attorney General of the Environmental and Natural Resources Division of the United States Department of Justice to petition the United States District Court for the District of Alaska for withdrawal of the sum of \$15,701,032 from the Court Registry account established as a result of the governments' settlement with the Exxon companies. Of this amount \$5,837,316 shall go to the United States of America and \$9,863,716 shall go to the State of Alaska.
