## Table of Contents

Chapter 1	Page
The Proposed Action .....	1
Purpose of and Need for the Proposed Action .....	1
Purpose of the Proposed Action .....	1
Need for the Proposed Action .....	2
Litigation and Settlement .....	2
Decision to be Made .....	3
Background of the Proposed Action .....	4
The <i>Exxon Valdez</i> Oil Spill .....	4
Description of the Process .....	6
Notice of Intent .....	7
Scoping .....	7
Preparation of the Draft Environmental Impact Statement (DEIS) .....	7
Public Comment Period .....	7
Preparation of Final EIS (FEIS) .....	7
Record of Decision (ROD) .....	7
Implementation .....	8
Scoping Process .....	8
Public Involvement .....	8
Roles of the Agencies .....	8
Role of the Public .....	8
Issues .....	10
Issues Addressed in the EIS .....	10
Issues Not Addressed in this EIS .....	11
Impact Topics Studied by the EIS .....	12
Impact Topics .....	13
Fish .....	14
Intertidal Resources .....	14
Marine Mammals .....	14
Birds .....	14
Services .....	14
Endangered Species .....	14
Possible Conflicts Between the Proposed Action and Other Plans .....	15
Findings .....	16
Impacts and Alternatives Considered But Not Analyzed in Detail in the EIS .....	20
Impact Topics Not Analyzed .....	20
Alternative Elements Not Considered in Detail .....	21
Agency Management Actions .....	21
Monitoring and Research .....	21

**Public Meetings**

Public meetings were held in the following communities. Although these meetings were not recorded verbatim, detailed notes were taken by the EVOS staff and summarized herein.

<u>Page</u>	<u>Meeting Location</u>	<u>Dates</u>
125	Anchorage	June 27
125	Seward	June 29
128	Homer	July 1
129	Kodiak	July 5
132	Cordova	July 7
136	Valdez	July 19

A teleconference was held on July 20, 1994. Opportunities for involvement were provided in the following communities. The teleconference was recorded by a court reporter, and the transcript is on file and available to the public in the EVOS Office. Specific comments and their responses are on pages 137 through the end of this chapter.
