Dear Randy,

Your revision of the manuscript “Serologic survey for Brucella abortus, phocid herpesvirus-1, phocid herpesvirus-2 and phocine distemper virus in harbor seals from Alaska” by Zarnke et al. is accepted for publication in the *Journal of Wildlife Diseases* and is scheduled for the April 2006 (Vol 42, No. 2) issue. You may use this letter in any way necessary, including reproduction, to demonstrate that this manuscript is now “in press”.

You should receive copyedited proofs of your manuscript by email in PDF format. You need to be very careful to review the proofs for errors/corrections and return them the following day by email, fax, or courier. If you have any questions about your manuscript please feel free to contact us.

Thank you for using the *Journal of Wildlife Diseases* as the source for publication of your article. Congratulations on your accepted manuscript.

Sincerely;

Elizabeth W. Howerth
