

## EVOSTC 1994 Restoration Plan rev8.30.21 Errata Sheet

Minor revisions were made to the original 1994 text for clarity and consistency. These revisions do not include changes that were made to incorporate Resolutions [21-02](#) and [21-03](#) which were adopted and approved by the Trustee Council at their January 19, 2021, meeting.

Acknowledgements	The anti-discrimination policy statement was updated and links to each Trust agency's policy was added.
pg 3, last para	Information regarding the 2006 reopener claim was added. The reference to the payment schedule and the table was removed as it no longer applies.
pg 5	Heading changed from "Past and Estimated Future Uses to Civil Settlement Funds" to "Uses of Civil Settlement Funds". Links to the Annual Work Plans and Annual Reports on the website were added for references for annual funding awarded and annual expenditures.
pg 7, last para	Added a sentence about the status reports on the current condition of the resources and services injured by the spill and added a link to the status updates on the website.
pg 11, para1	Added a sentence about the status reports on the current condition of the resources and services injured by the spill and added a link to the status updates on the website.
pg 16, fifth bullet	Edited "Public Information, Science Management and Administration" to "Administration, Science Management and Public Information".
pg 19, para3	Added a sentence and link to the Habitat Enhancement and Protection page on website.
pg 20, para2	Added a sentence to clarify that both large and smaller parcels have been analyzed in the past and updated the language, "The Trustee Council staff have also analyzed smaller parcels in the spill area whose owners have indicated a wish to participate in the process."
pg 22	A sentence was added under "Restoration Reserve" to note that "This section is no longer applicable at the time of the 2021 revision but remains in the document as a historical reference."
pg 23	Edited "Public Information, Science Management and Administration" to "Administration, Science Management and Public Information". This section was also edited to bring the information up to date. Links to the annual Reports and Budget Analysis on the website were added.
pg 28	Table 1. Resources and Services Injured by the spill. This table was updated to reflect the 2014 status report. Links to all the updates were also added.
pg 29	The sentence "The status of injured resources and services was last updated in 2014" was added.
